

SENATE TAX

Exhibit No. 3
Date 1-28-2015
Bill No. SB 180

January 28, 2015

Chair Tutvedt and Members of the Committee:

My name is George Northcutt. I live in Great Falls. As a member of the Great Falls Transportation Advisory Council and as senior transportation rider, I do support this bill. Riding Public transportation is a lifeline for me, because how else can I get to my destinations independently. Using Great Falls transit and paratransit, I am able to be as independent as possible. I urge this committee to pass Senate Bill 180 and send it to the full Montana Senate for approval and passage.

Thank you for reading this testimony.
